

Public Library and Trustee Section
2021 Annual Report

The PLTS Board arranged for Virtual Spring Meetings this year. The virtual meetings provided a chance to take a look at some newly constructed or newly renovated libraries across the state. Buildings featured were Ravenna Public Library, Crete Public Library, Norfolk Public Library, and the Kathleen Lute Public Library in Ogallala. These sessions were available to attend live. They were also recorded and made available on the NLA website for PLTS members to view later.

Continuing on this theme, PLTS has coordinated an in-person tour of the Papillion's Digital Library at Papillion Landing on the Wednesday evening before the NLA Conference.

No changes were needed on the PLTS Bylaws this year.

The PLTS Awards committee solicited nominations for the PLTS Advocacy Award and selected the Grand Island Public Library Foundation Board as the 2021 recipient. This is well-deserved recognition for this amazing group of library advocates. Thank you to the Awards Committee for their diligent work.

The PLTS Nominating committee provided a full slate of excellent candidates for this year's election. Debbie Aden from Fairbury Public Library was elected as the incoming Vice Chair/Chair Elect and Tammi Thiem was elected as the incoming Secretary/Treasurer. Congratulations to them both! Thank you to the Nominating Committee for their dedication to recruiting nominees.

Respectfully submitted,
Jessica Chamberlain
PLTS Chair
